

Discussion of Northern Rhino Article

Dale H. Easley

University of Dubuque

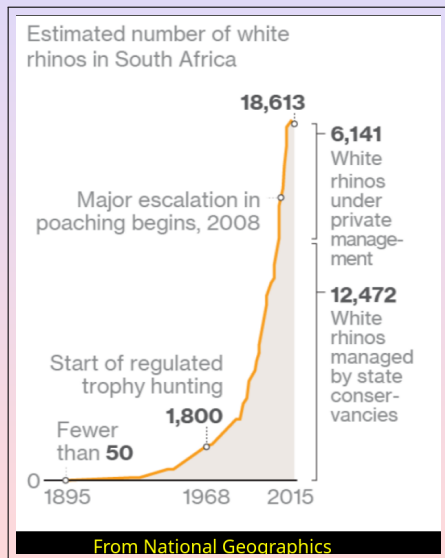

How does the article start?

The backstory

- Kenya made trophy hunting illegal in 1977
- 60% loss of big animals in Africa, 1970–2005
- In Kenya, they fell 68%, 1977-2018
- But not in South Africa.

See [\[here.\]](#)

Why?

- Poaching
- Human population growth
- Climate change and invasive species
- Bad policies

What values drive the decisions?

What values did the article emphasize?
